

## Women and Gender Nonconforming Visual Poetry Editors, Publishers, and Curators

I'm steadily creating a directory of publications and sites with women and gender nonconforming editors, publishers and curators of visual poetry. Please note that you must check the individual sites to find out who they publish, what type of work they are publishing and if they're currently seeking submissions.

My hope is that this list will encourage submissions and collaborations and be inspiring and reassuring to other women and gender nonconforming visual poets and publishers/editors/curators who may often feel alone or not acknowledged.

One of my missions for AngelHousePress is to center women and gender nonconforming artists and writers.

If you have recommendations or would like to be included, please e-mail me [amanda@angelhousepress.com](mailto:amanda@angelhousepress.com) or connect with me on Twitter @KikiFolle.

The list below is based on a shout out on Twitter. I hope to add more women/gnc editors/publishers/curators as I learn more.

Where possible I have included names of publishers, curators and editors, twitter accounts and sites. If there are any inaccuracies, please let me know.

If I've included you and your press, and you want to change any of the information, or you would prefer not to be included, please let me know.

The list is in alphabetical order of the presses with editors' names and Twitter name in parentheses.

### Curators

Those who curate visual poetry for various art galleries and other venues.

**Dr Nicola Simpson** @concretepoet

I use the term “gender nonconforming” but I also want to include visual poets who identify as gender fluid, genderqueer and nonbinary. Here’s a glossary of useful distinctions for these and other LGBTQIA+ terms from the USA Human Rights Campaign site <https://www.hrc.org/resources/glossary-of-terms>

Great thanks to Imogen Reid @vilmastuttle who has been sending me a lot of info about publishers and editors in the UK, and to all others who’ve shared my request via Twitter.

yr fallen angel,  
Amanda Earl
